

## Sea freight LCL | Stuttgart ▶ Shanghai

**ATEGE – Starting from Stuttgart we navigate you through the economic crisis**

With ATEGE you have a partner, who has been working successfully in the sea freight transport business for decades. We are represented in the major ports worldwide and work with established shipping companies. Our latest service is a weekly consolidated cargo - container (LCL) from Stuttgart to Shanghai, directly.

### Your profit from:

- Weekly consolidation of cargo in Stuttgart, with flexible check-in times
- Pick-up service across Europe
- Attractive pier and handling fees
- Best price-value sea freight
- Competitive transit times regarding attached list of sails
- Assembly service
- German speaking contacts in Stuttgart and Shanghai
